Would it be okay to bring my parents around the office next week? I think they will come with me to SF next Thursday (Dec. 10) and walk around the City while I am at work. I would like to show them the office and introduce them to the group either over the lunch hour or in the morning.

Hi Lisa,

Could you draft a brief desk statement in preparation for EPA receiving the formal AG aquifer exemption package from the State? Paul will be our WTR communications contact by the time we get the package (late December/early Jan), so I am copying him and Kate in case you have any questions for them. Thanks, David
